Welcome and Introductions

Kamiel Morgan | Texas Veterans Network: Mission United

Texas CoP Overview

- Overall goal: strengthen professional development and capacity of providers and community hubs across Texas
- Trainings will occur in four regions and be open to providers across the entire state of Texas over the course of a year
- Surveying providers will allow us to gauge the interest and need for the training theme
- IVMF will assist with facilitating the training and coordinating speakers
- Support by the Walmart Foundation
- Culminating activity in March 2023 – in person gathering – all community hub leads across all of Texas, in person – providers remote
